Tulsa, OK 74147-2222

► **To All GTOA & NE Oklahoma Area Football Officials**

The GTOA is proud to announce the first annual GTOA High School Football Officials Clinic! This will be an outstanding opportunity for both new and veteran officials to improve officiating skills and performance.

This years' inaugural clinic will be held at Broken Arrow High School on Saturday, April 3rd from 8:30am until 6:30pm (check-in is at 8:00am). The registration fee is \$10.00. There will be classroom, position breakout and on-field activities and provide you a pre-season spring clinic where we will discuss GTOA basic officiating philosophies and mechanics. This WILL NOT be a rules meeting.

We realize that this is Easter Weekend and are hopeful that this won't deter you from attending. But we wanted to be sure to have the clinic in early spring so as not to interfere with end-of-school events or any NCAA spring events that will certainly occur for the GTOA officials working at the next level.

The purpose of this clinic is to allow you as an official and our overall association to improve the quality of football officiating in NE Oklahoma and for the schools with which we have contracts.

Several NCAA football officials will be your clinicians for the day. Most of whom have moved up to the next level after officiating with the GTOA.

Lunch and drinks throughout the day will be provided to you.

The information and registration for the clinic is contained in this package and will also be available on-line at our website <http://www.tulsaofficials.com>.

Once your registration is received, further details regarding the clinic will be sent via e-mail to you as well as being posted on our website. You may also call me with questions at (918) 237-1119.

Registration deadline for the clinic is Friday, March 26th, 2010. And if you know of others interested in football officiating, please pass the registration information on to them or direct them to our website for all of the details. We are always looking for good officials!

Hope to see you there!
